Padtec announces the death of Roberto Nakamura

Campinas/SP, May 23, 2023 – PADTEC HOLDING S.A. (B3: PDTC3) (“Company” or “Padtec”) announces, with deep regret, the death of Roberto Nakamura, Padtec’s director of Technology.

Nakamura was one of the founders of Padtec S.A. and built a path of great relevance in the Company's history. With brilliance and strong professionalism, he led Padtec's product research and development areas for almost two decades, bringing to the Company his fine intellect, his entrepreneurial vocation, his link with national technology and his authentic interest in the evolution of the market and new technologies.

Our deepest thanks to Nakamura for his unique dedication, tireless commitment and important contribution to the history and people of Padtec. Rest in peace Naka.

About Padtec (padtec.com)

Padtec is a Brazilian multinational that aims to bring high-capacity connections to life throughout Brazil, the Americas, and worldwide. From the small town to the bustling metropolis. For every person, for every type of business. With more than two decades down the road, we are proud to know that we work side by side with our customers to offer services capable of bringing people together. It's this way that, breathing technology and collaborating, we get where no one else gets. We dare to use our knowledge to design new futures and accompany a world in constant evolution. This is our way to boost connections to create new realities.
