Concerning the questioning presented by B3/CVM, Padtec informs that it is not aware of any fact that occurred or related to the Company's business that may justify the atypical fluctuations recorded in its share's prices, number of trades, and quantity of shares traded in the period indicated by the Official Letter herein answered.

In compliance with the provisions of the sole paragraph of article 4 of CVM Resolution 44/2021, the members of the Company's Management were questioned and informed that they were unaware of possible relevant information that should be disclosed to the market other than that which is already public on the CVM, B3 S.A. – Brasil, Bolsa, Balcão and Company's own websites.

The Company emphasizes that decisions to buy, sell, maintain, or otherwise trade shares issued by Padtec or other securities referenced therein or other securities linked in any way to the Company must be taken based on official information disclosed by the Company.

About Padtec (padtec.com)

Padtec is a Brazilian multinational that aims to bring high-capacity connections to life throughout Brazil, the Americas, and worldwide. From the small town to the bustling metropolis. For every person, for every type of business. With more than two decades down the road, we are proud to know that we work side by side with our customers to offer services capable of bringing people together. It's this way that, breathing technology and collaborating, we get where no one else gets. We dare to use our knowledge to design new futures and accompany a world in constant evolution. This is our way to boost connections to create new realities.
