MARKET ANNOUNCEMENT

Padtec advances Amazon Project and establishes subsidiary in Manaus

Campinas, October 6, 2026 – PADTEC HOLDING S.A. (B3: PDTC3) (“Company” or “Padtec”) hereby informs its shareholders and the market in general of the incorporation of PADTEC AMAZÔNIA LTDA., a limited liability company wholly owned by its subsidiary Padtec S.A., headquartered in Manaus, State of Amazonas, Brazil.

The establishment of PADTEC AMAZÔNIA LTDA., approved by the Board of Directors on August 20, 2026, represents another milestone in the execution of the Amazon Project, a strategic initiative aimed at enhancing the Company's competitiveness, strengthening its manufacturing capabilities, and creating an additional platform to support revenue growth in the coming years.

The Amazon Project is aligned with Padtec's strategy of strengthening its position as a Trusted Partner in Digital Infrastructure, expanding its industrial capacity to meet the growing demand for connectivity solutions, optical networks, data centers, and critical infrastructure in Brazil and international markets.

The new subsidiary was established to support the implementation of the Company's manufacturing facility in the region, a project already approved and defined by Management, as well as to address growing demand in international markets and increasing production volumes. At this stage, the certification, licensing, and approval processes required by the relevant government authorities are underway to enable the start of industrial operations.

As part of its 25th anniversary celebrations, Padtec launched the mini-series “The Future Is Beginning”, which presents the Company's vision for the evolution of digital infrastructure.

“At Padtec, we believe the future is built through consistent choices. Guided by this commitment, we continue to expand our capabilities, strengthen our competitiveness, and consolidate our role as a Trusted Partner in Digital Infrastructure.”

Investors and other interested parties can follow the content and testimonials featured in the series on our official LinkedIn page: <https://www.linkedin.com/company/padtec-sa/>

Padtec will keep its shareholders and the market informed of any relevant developments. Additional information is available on the Company's Investor Relations website (www.padtec.com.br/investor/padtec-holding/), as well as on the websites of the Brazilian Securities and Exchange Commission (CVM) (www.cvm.gov.br) and B3 S.A. – Brasil, Bolsa, Balcão (B3) (www.b3.com.br).
